

Date: _____

Student Application for Joint Concentration

If you are applying for a joint concentration, please fill out this application and **submit one identical hard copy of all application materials to each concentration.** Some concentrations have deadlines for these applications; please check the relevant websites.

1. Name _____
Email _____
Class Year _____
Current Concentration (if declared) _____

2. Proposed Joint Concentration
Primary: _____
Allied: _____

3. Please write a brief rationale for this proposed joint concentration, i.e., explain what your academic goals are and why they cannot be met within an existing concentration, or within the existing concentration/secondary field structure. (400 words maximum)

4. Joint concentrations are “honors only” and thus require a thesis. Please share your ideas about possible thesis topics and how these would combine your interests in the two concentrations. (200 words maximum)

5. Please list the faculty or staff with whom you have spoken about your interest in a joint concentration. You must speak to an adviser (generally the Director of Undergraduate Studies (DUS) or Assistant DUS or Head Tutor) in each concentration before filling out and submitting this application.

- a. Name and contact information of person to whom I have spoken in proposed primary concentration_____
- b. Name and contact information of person to whom I have spoken in proposed allied concentration_____

6. Please append the following:

- a. Recent transcript with grades
- b. Plan of study if the joint is approved
- c. Plan of study if the joint is not approved
